

PREREQUISITES

IBM CLOUD SERVICES

Team ID	PNT2022TMID39392
Project Name	IoT based smart crop protection system

The screenshot displays the IBM Cloud Dashboard. At the top, a dark navigation bar includes the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user's account (Sneha P's Account). Below this, the main dashboard area is titled 'Dashboard' and features a 'Create resource' button. A 'For you' section presents several recommended actions, each with a 'Getting started' button and a time estimate: 'Build' (3 min), 'Create a custom dashboard' (3 min), 'Explore IBM Cloud Shell' (2 min), 'Build cloud-native apps using IBM Cloud Object Storage' (10 min), 'Visit the IBM Cloud catalog' (1 min), and 'Monitor' (1 min). The bottom of the dashboard contains sections for 'User access' (with a 'Manage users' link), 'News' (highlighting 'TrustRadius Best Software: Five IBM Offerings to Make the List'), and 'Planned maintenance'.
